Customer Reviews

I liked 3 out of the 5 books really well. The other 2 just didnt do it at all for me. Errors and just juvenile writing mainly. Not a bad box set but the 2 stories I didnt like are what brought it down unfortunately. Here's a little about each book.Hades' Halo - Julia Mills Was so awesome. It was really short though! King of Hell and an Angelâ |.who would have thought? It moved really really fast. I would have liked it to have been longer. Seriously this was like maybe 80 pages. I think it would be an awesome series! My favorite in this box set.P.T. Macias - Alastor, The God's Eternal Love Okâ |.I had issues with this book. There were some editing errors to begin with. Then the juvenile feel of the writing. The descriptive words were kinda silly! Especially during their love scene! Who the heck says âœMy p**** is contractingâ • during sex? I like a good sex scene like anyone elseâ |even a

detailed one. This was just a little much because sheâ€™s screaming it. That just doesnâ€™t happen in any scenes Iâ€™ve ever read in books. I liked the idea of the story but because of the weird word uses and phrases it was my least favorite. Sorry.P. Mattern- The Pandora Sanction An ok read. Nothing too special about it. Definitely unique though. Gods coming to earth to look for mates? Interesting to say the least.Danielle James- The War Within Oh I enjoyed this one! Ares is on earth wrecking havocâ€¦big surprise right? I mean its Ares! However, what he doesnâ€™t count on is Emma and she doesnâ€™t count on him either. She just wants to be left aloneâ€¦and he just wont.R.L. Merrill- The God's of Rock n Roll I really enjoyed this book as well. It was totally off the wall awesomesauce! Elvis is a God? How cool right? Heâ€™s the boss!
