Synopsis

A warrior sworn to kill or die trying |A woman going through a deadly transformation |Can they reach safety together? Or have both of them been Targeted for death? Emily Brooks is just an unremarkable girl living a boring existence--she teaches kindergarten, has a small house on the north end of Tampa, and tries not to envy her sister's perfect life. But Emily holds a remarkable secret within--one that won't stay hidden much longer. She is about to become something and someone completely different--that is, if she lives long enough to undergo the transformation. Tragar is a Beast Kindred with tragedy in his past. Pain and loss have driven him from the Kindred way of life and into a new career--that of a deadly Verrak assassin. The Verrak take an oath to kill every target they contract for or die trying. Now Emily is in his crosshairs but the moment he gets close enough to her, his sharp Kindred senses tell him something is different about this particular target. Emily is a Khalla--a rare female who some say embody the essence of the Goddess herself. She is a treasure beyond compare. Tragar is well aware that his own choices have left him unfit to serve her but at least he can protect her until he can find someone worthy on his home planet of Rageron. But there are dark forces in their way. Tragar's oath to kill can not be broken lightly. And there is a shadowy figure rising from the darkness who wishes to claim Emily's life. Can the fallen warrior guide and protect Emily to the place she truly belongs? Or will he die trying? You'll have to read Targeted to find out.

Customer Reviews

There are some surprises to this book. I love the approach Evangeline Anderson has taken on this book. This can be read as a standalone. Emily Brooks is a female that lives on earth. She loves kids and teaches kindergarten. Due to something awful that has happened in her past she is unable to stand the thought of being with a man. So marriage and kids seems out of her future. She has always felt different. It is like she has another being living inside her trying to get out. This is very scary to Emily. She feels one day the one she calls the α ether \bullet will take over and she will be no more. Rivin Tragar is a Beast Kindred that has renounced the Goddess after something awful that happens in his past. He has joined the Verrak and is now a hired assassin. His target is Emily Brooks. He has watched her for days and yet there is something stopping him from taking his target out. He is one that never misses a target. He always kills the one he is sent to kill. Then he smells her and realizes Emily is a Khalla. Beast Kindred are sworn to protect Khalla for they are very rare, precious, and consider a treasure. It is something imbedded in their DNA that makes him want to protect her. Targar and Emily find themselves on a dangerous journey while headed to Rageron. Emily has four stages that she will go through becoming her Khalla. If these stages are not fulfilled and if Emily is breed too soon she could die. Tragar needs to help her keep from going through these stages until they reach Rageron. He must do whatever it takes. Targar is refusing his feelings for Emily because he feels unworthy. Emily is being very stubborn on who she wants as her mate. If she can not have Targar then she does not want anyone.
