## Synopsis

Everything was fine until that innocent little rich girl walked into my garage. Since the second I laid my eyes on her, all I've wanted to do is get my dirty hands on her pure body. There's one minor obstacle standing in my way, but I've got a plan. All I've got to do is claim her, and she'll be mine forever. Warning: This book is over-the-top, insta-love. There's nothing but steamy scenes, babies trying to be made, and an obsessed bearded alpha hero claiming a virgin who will be his forever. If you want it hot and dirty, this is it! \*whispers\* There's a sweet smutty surprise at the end!

## Customer Reviews

I was also taken in by the cover, but this two-story collection was awful. The writing's thin, the characters are not recognizable as human beings, the sex scenes aren't sexy (seriously, juices soaking into the hero's beard? NO), and the less said about the sex for "breeding" purposes, the better. Gag. But by far, the worst thing about this were the controlling, borderline abusive actions by the heroes. If a friend's new boyfriend behaved like either of these guys, I'd be alarmed and stage an intervention immediately. The worst offender here is the "sweet, smutty surprise" in the form of a bonus short story featuring two supporting characters in the first story. Let me illustrate how the key plot points in the story would have gone down in the real world: (Spoilers, I guess, but seriously, you

have to read this book to believe it.)"Hey, Law, having some car trouble?" Joey asked, approaching the sheriff as he popped the hood on his cruiser. "Here, let me fix that for you."She jiggled a wire into place."Thank you, Josephine. Let me take you out to dinner tonight. What's your number?"Law whipped out his phone, and Joey saw that his screensaver picture was of her, taken at a distance while she was walking into the lingerie store that somehow managed to thrive in this tiny town."Law, um, is that a picture of me? Where did you get that? We've barely ever spoken."The tips of his ears turned red in embarrassment. "Yeah, I snapped this of you when you were shopping the other week. You didn't notice me."Joey backed away in shock. "Oh, wow. Hey, listen, I don't think dinner is a good idea. See you around?"
