West Of The Big River: Boxed Set Of Eight Western Novels

Synopsis

Eight West of the Big River novels, a series with an action-packed blend of history and fiction.

West of the Big River: The Lawman By New York Times bestselling author James Reasoner, the first novel in a new series from the Western Fictioneers, *West of the Big River*. The Lawman features William M. "Bill" Tilghman facing perhaps his greatest and most dangerous challenge.

West of the Big River: The Avenging Angel Award-winning author Michael Newton spins an action-packed, historically accurate yarn about Orrin Porter Rockwell who is more than just a deputy United States marshal and a deadly gunfighter. He's a member of the Mormon Danites, the group of enforcers known as the Avenging Angels.

West of the Big River: The Artist Acclaimed author Jackson Lowry spins as entertaining a tale as any of those from Charlie Russell himself in this superb new historical novel.

West of the Big River: The Ranger James J. Griffin, noted for his fine stories of the Texas Rangers, joins the *West of the Big River* stable with *THE RANGER*, a short novel featuring real-life Ranger Sergeant J.S. Turnbo.

West of the Big River: The Forty-niners Charlie Steel's story of courage, romance, and danger is based on historical incidents of the California Gold Rush, and vividly illustrates a compelling chapter in American history, recreating a lawless era that exemplifies both the best and the worst in a vital young nation!

West of the Big River: The Bandit Sam Bass was just a farm boy from Indiana, but he wound up in Texas and became one of the most notorious outlaws in the history of the Old West. Jerry Guin's historical novel *THE BANDIT* takes an unflinching look at the life and times of Sam Bass, from his almost accidental incursion into a life of lawlessness to his ill-fated end, and provides a vivid portrait of this violent era.

West of the Big River: The Doctor In Tombstone, Arizona Territory, the town too tough to die, Dr. George Goodfellow is known as the Surgeon to the Gunfighters. Friends with the Earp brothers and Doc Holliday, his services as a doctor are needed in the aftermath of the Gunfight at the O.K. Corral. Goodfellow is handy with a gun and his fists, too, and he needs those skills to survive! An all-new, exciting novel based on actual historical characters and incidents by acclaimed Western author Clay More.

West of the Big River: The Sheriff Outlaws ran wild in Apache County, Arizona Territory, until the day a long-haired, straight-shooting cowboy with the unlikely name of Commodore Perry Owens pinned on the sheriff's badge and set out to rid the county of lawlessness. Owens would need every bit of his gun skill just to stay alive as he cleaned up the territory! Acclaimed Western author Chuck Tyrell brings the illustrious career of Commodore Perry Owens to vivid life in *THE SHERIFF*.

Don't miss this great buy, eight based on fact western tales that will give many hours of great reading in one boxed set.

Customer Reviews

This book has several western stories in it. I am really enjoying the book. Some of my favorite authors have stories in this book. Chuck Tyrell,, James Reasonver, and James J. Griffin. I am looking forward to reading the stories written by, Michael newton, Jackson Lowry, Charlie Steel, Jerry Guin, and Clay More. if they are as good as the others i have found me some new authors to read their stories.

Outlaws and most of them were exceptionally entertaining. There were a few statements that were lengthy, but basically all stories kept my interest throughout the series. Recommend this series to all who love old western history and the part it played in the development of our country.

Since this is an eight-volume book set by different authors its difficult to give a viable review, plus I've not finished all the books. Overall though they appear to be good solid traditional Westerns.

Had a lot of fun reading it. Last story is vrry interesting taken directly from the participants involved

in the story

Excellent Writing by these authors. Mangeable plots and descriptive writing. DHD

Well written and researched western stories. Hard to put down! Brings the real old west alive and makes you feel like you are living in the story.
