Study Guide To Accompany Memmler's Structure And Function Of The Human Body

Synopsis

A component of the PASSport to Success, this Study Guide is the ideal companion to the Tenth Edition of Memmler's Structure and Function of the Human Body, the acclaimed classic text for anatomy and physiology. Following the text's organization chapter by chapter, the Study Guide offers a full complement of self-study aids to engage students in learning and enable them to assess and build their knowledge as they advance through the text. Most importantly, it allows them to get the most out of their study time, with a variety of exercises that meet the needs of all types of learners. Self-study aids include all-new illustrations, a chapter overviews, writing exercises, coloring and labeling exercises, concept maps, practical application scenarios, matching exercises, short-essay questions, multiple-choice, fill-in-the-blank, and true-false questions, and more.

Customer Reviews

follows the book well. I'm getting close 100% on my tests! Do not order the ebook--poor page numbering and why would you want to print the whole study guide?????

I am very pleased with my perfect brand new copy, which was still wrapped in its plastic. I give five stars.

I passed Anatomy And Physiology..... Great book

High quality in print, text and pictures.

Came just as described. packaged nicely.

It was exactly what I expected

Nice item and fast shipping
