Children's Poetry: Roots (Story/Picture Book For Beginner Readers Ages 5-9)

Synopsis

Rhyming Bedtime Story/Picture Book for Beginner Readers Ages 5-9. A man from out of town shows up, when a curious boy has to ask him a question. "Where are you from?" The man then begins to tell the boy where he is from. He stresses the fact that where you are from matters, and never to let your roots go. It is a short poem with rhyming words to help push the story along. It has black and white realistic illustrations that draw the scenes of the poem out quite nicely.

Customer Reviews

Proud to recommend to other parents and grandparents to buy for the children in their life. Looking forward to the next book.

This is a great book. I read this book with my 5 year old daughter and she has enjoyed it so much. She has even had her 12 year old, brother read it to her. Love the pictures that are great. Keep writing I would love more books.

This is a great book to use with any grade level to introduce a unit on family roots or for background

on family lineage.

A great book to begin conversations about family roots with your child.
