Customer Reviews

This is a deliciously steamy hot read. I love reading sequels, and Sarah Hyde did an amazing job at tying the two story lines together. The characters are fun and the plot had enough twists to keep me reading.

I adored every single page. Go on like this. Usually, I'm not much into fantasy, but you found the right way to "balance" it out.

Really good read left me wanting more thanks can't wait for the next one thanks for writing stories of great awesomeness
