## **Customer Reviews**

My son uses this book in school and BOY is it heavy! He was schlepping the school copy back and forth every day and so I got the idea to buy copies of his heaviest books to keep at home. Now he can keep the school copy in his locker and bring it to class and NOT have to travel around with it, because he has the very same book at home now.

As listed...Thx

Perfect!

The book binding was white but besides that, it was a good purchase and helps with Spanish class so I didn't have to lug around my book back and forth from home and school.

The book is great but within 72 hrs of our purchase our credit card had fraudulent activity to the tune of 1500 hundred dollars.. Don't know if it was related...

I ordered this book based on a "very good" condition. The book came and looked brand new. I was

very happy with both the price and the condition of this book. It also shipped fairly quickly. I would definitely recommend this seller to others.

This item is very good for learning Spanish. It arrived like new. I am very satisfied with this purchase. I would recommend this book to students who want to learn Spanish.
