Never Forsaken (The Kurtherian Gambit Book 5)

Synopsis

Life is beyond dangerous when you are caught up in the ongoing war between Bethany Anne's group and the Forsaken. Both Vampires and Humans have been targeted, but if there is one thing that those who work with Bethany Anne learn, it is you are NEVER FORSAKEN. Never Forsaken, The Kurtherian Gambit 05 follows the story after Bite This. If you haven't read the preceding books YOU PRETTY MUCH HAVE TO. These are a series and many of the characters have been introduced in preceding volumes. **Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing. Series includes: Death Becomes Her - The Kurtherian Gambit 01 Queen Bitch - The Kurtherian Gambit 02 Love Lost - The Kurtherian Gambit 03 Bite This - The Kurtherian Gambit 04 Never Forsaken - The Kurtherian Gambit 05 Under My Heel - The Kurtherian Gambit 06 (Feb 2016) Kneel or Die - The Kurtherian Gambit 07 (Feb/Mar 2016)

Customer Reviews

5.0 out of 5 starsA 411 Update if you are interested ^By Lisa on January 24, 2016Format: Kindle Edition Verified Purchasehere is a 411: if you are a perfectionist reader stop now, otherwise this an outstanding story. I'm already on book three and I started reading them today. The negatives: sometimes knowing which character is talking; happens a lot in the first book but evens out in the second, still happens but not as much. Sometimes inserts the wrong character name while they are talking or thinking. I do like that this is from an multiple characters point of view, but it can be difficult occasionally to follow because the transition is not always seamless. The grammar is ok but not perfect but did not take away from the story. The PROS: love the story line, love that is a continuation with lots of laughs and action. I'm looking forward to see where the author is going with this. I'm stopping now to read the third book, but because I'm digging this author I wanted to send a shout out!Update: I have read books 3 & 4 and a lot of the issues I had with the first two books have been addressed. 3 & 4 is so much smoother to follow. I am seriously enjoying this story. I about to start on book 5 and hope to finish before bed tonight, so this does not follow me to work tomorrow lolI love a good story especially if it can make me laugh, cry, cheer, and a host of other emotions. So far in this series I have hit them all. What I especially like is if I can guess where the author is going. I'm not looking for a mystery, I'm looking for adventure and I get that with this story. It has all my favorite types of characters, supernatural, alien, military, strong moral characters, kick ass H&h, and a team of awesome supporting sidekicks.
