Into The Beautiful North: A Novel

Synopsis

Nineteen-year-old Nayeli works at a taco shop in her Mexican village and dreams about her father, who journeyed to the US when she was young. Recently, it has dawned on her that he isn't the only man who has left town. In fact, there are almost no men in the village--they've all gone north. While watching *The Magnificent Seven*, Nayeli decides to go north herself and recruit seven men--her own "*Siete Magníficos*"--to repopulate her hometown and protect it from the bandidos who plan on taking it over. Filled with unforgettable characters and prose as radiant as the Sinaloa sun, *Into the Beautiful North* is the story of an irresistible young woman's quest to find herself on both sides of the fence.

Into the Beautiful North by Luis Alberto Urrea on audio was a delight, especially with the voice and passion of Susan Ericksen. Nayeli is a young girl working in a taco shop in Tres Camarones, who continues to idolize her father that left her and her mother many years ago. Her home is under attack from bandits and drug dealers, but many residents have been abandoned by other men seeking the opportunities found in America. While watching *The Magnificent Seven* with Yul Brynner, Nayeli and her friends -- Tacho, Yolo, and Vampi -- decide they are going to make a trek to America to bring back the seven they need to save their town. The audio brings to life the accents, the culture, the beauty of each scene and the playful sparring between these characters and their new surroundings. Ericksen's passion for these characters and this story is clear, illuminating the innocence of Nayeli and her friends and the hardships they face. From the colorful personalities of

Nayeli's gay boss, Tacho, to her vampire/Goth girlfriend Vampi and perky and whiny Yolo to the matriarch of the village Nayeli's Aunt Irma, Urrea paints a mosaic of Mexico and the struggles of illegal immigrants and those seeking a better life. Readers will by far enjoy the quirky Atomico a warrior from the dump outside Tijuana the most as he seeks to defend the four from the ills of the world. My husband and I were riveted when the audio rolled us to work every morning. Atomico was my husband's favorite character because he was like a comic book character; "I AM ATOMICO.
