I could barely wait for this Part 2 after reading the first one and one thing I know for sure is that I was not disappointed! The first one had me emotional but this one had me turning into Nancy Drew by the end. Great job. Waiting on Part 3 to confirm my theories.

Yes, Yes, Yes, I look forward to soo much more of Tamyra G! Awesome story and I just love my "D"

and so does Orchid, lol. Kiko and Orchid reminds me of my own BFF relationship, solid and so much love for each other. They are sisters from another mother and Theresa is soo loving to all of Orchid's friends. I am soo glad that Byron came home, doing the damn thang and stepped up to the plate with his daughter. I am soo glad that Orchid is upfront and trying to keep the confusion down. I have list respect for Khalil because I believe he is on some dog shid!!!! Preme is a low down dirty dog and I know he is going to get what is promised to him. D is not allowing anyone who harms his wife walk away easily whether its disrespect verbally or physically, These families are soo loving it makes me sooo happy. The author truly makes you feel this story and I cannot put it down!!!! Great job and part 3 here I come!!! Bravo and I know more best sellers are coming from this Author. 5 Stars!!!!!!!!!!

This part had me laughing and crying. First I gotta say that I'm loving this story. It was nonstop action and drama from beginning to end. I was torn in the beginning with the choice Orchid had to make but her and D really belong together. I didn't feel like his comeback was done as dramatically as it could of been and his reason for being gone seemed kind of flimsy to me. But the story going forward was still so well done, it made up for that. It seemed like every time things were going good for them, something bad happened. I was feeling bad for Kahlil but he started acting shady. I can't wait to see what happens next. Now I know he and Keon aren't blood brothers but they did kinda grow up together but Keon doesn't seem to show the love. After all, he did push for Orchid to give him a chance. Oh and I just love Lil D, he is too funny. I hope part 3 is out, I need to read it right now.

I chose this rating because of the excitement and the couple's relationship and their friendship. It was a little exciting at some point but not all of them. Didn't know about the end of the story so I'm assuming we have to only think what we want the ending to be. I recommend this book to anyone who like excitement .

Love this series. Orchid n D are meant for each other. They sure been through it. No spoiler here but got feeling who the snake is!! This series got it all streets violence n lots of sex!! Can't wait for pt 3. Well done

All i can say is wow. I was at the edge of my seat. I'll love to read part 3.
