Miumi-U Teaches Japanese Shibari - Part 1: How To Do Japanese Rope Bondage

Synopsis

Rope bondage has been practised in Japan since ancient times and is becoming more popular in the rest of the world. This book sets out to show how you can tie your partner in the way it is taught by a Japanese mistress, Miumi-U. Part 1 shows the basic ties and part 2 goes on to use them in more sophisticated play sessions. Miumi-U prepared these lessons with Kao, her bondage partner who has performed with her many times in Tokyo shibari clubs. You will learn to: Understand the basics of the care and handling of ropes. Make single and double column ties. Make quick release versions. Tie a chest harness with and without crossovers. Tie legs in different ways.
