## Synopsis

In the second book in the Love Under the Big Sky series from this New York Times and USA TODAY bestselling author of the With Me in Seattle series, life in Montana gets spicy when a woman and her divorce lawyer sign off the papersâand sign on to love. Now that his best friend, Josh, has happily settled down with his true love on a Montana ranch, small-town lawyer Ty Sullivan starts thinking that maybe single life isnât all itâs cracked up to be. And when Lauren Cunninghamâs no-good ex-husband comes after her for an unexpected trust fund, Ty steps in to protect her. But soon he canât help but think of her as more than a client. Laurenâs in no mood to jump into another relationship, so how can Ty convince her that her mistake wasnât getting married, but marrying the wrong guy?

## Customer Reviews

This read was scorching hot. Ty is a man who knows a thing or two about how to please a woman in bed. I mean a hot tattooed lawyer, need I say more. The man is as fierce in the courtroom as he is in the bedroom. I absolutely love it when an author takes a series and just when you think you know what book is coming next she throws you a curve ball. I thought for sure after Loving Cara we would

get Jillian and Zach's story, but instead Kristen gave us an amazing treat with Lauren (Lo) and Ty. I knew I wanted Ty's story from the get go but Lauren, not so much. She was friends with Misty and Misty is Satan's mistress in my opinion. She is pure evil and you get a taste of her again in *Seducing Lauren*. I love to hate the villains. Kristen once again does an excellent job developing her characters. Just going through a divorce myself I can appreciate what Lo is going through with Jack. This storyline truly portrays the difficulties that can occur when a divorce goes seriously bad. I really do enjoy a good friends to lovers story. Ty is an amazing book boyfriend as he takes care of Lo while she is in her writing cave. He makes sure she eats and checks in on her to make sure she is sleeping as well. The more Ty and Lo get to know each other the faster they fall. Lo fits in with Ty's friends like she always belonged there and it does not take Ty long to figure out that she is it for him. The chemistry between Ty and Lo is smoldering. The shower scene, the pool scene, the kitchen scene, the office scene—the list of sexy rendezvous goes on and on and if you asked me to pick my favorite I don't know if I could. \*Ladies this is most definitely a B.O.B. read where you will want to make sure your Duracells are up to date.

Kristen Proby creates magic. She puts her fingers to her keyboard and sparks fly, readers swoon. *Seducing Lauren* is book two in the *Love Under the Big Sky* series. Lauren Cunningham just got out of a nasty divorce. Her ex unfortunately is still not done with her. When he threatens more than just coming after her trust fund, Ty Sullivan finally steps into Lauren's life and makes his feelings known. Ty has had a thing for Lauren for a while now, but thought it inappropriate to make a move before now. Lauren, having been badly burned by love and friendships, distrusts what Ty's actual motives are. Ty doesn't waver though. He slowly makes his way into her heart by showing her exactly how a real man that cares for her acts. "Lauren, the only thing I want from you is you." Ty completely surprised me with his sensitive side. When he cares for a woman, he shows it. He is passionate, loving and protective. Once he set his mind on pursuing Lauren, he gave it his all. One of my absolute favorite things about him—Lauren has a tendency to let time escape her when she's working, which means meals are forgotten and skipped, Ty, however, whether he's there or not, makes sure she's taken care of. "Mr. Sullivan called it in and asked us to deliver it to you. He said to send you whatever your favorite is." Seriously, what man does that? "I'm not letting you out of my sight, sweetness. You're stuck with me." Lauren is a fun, feisty woman. She has no problems standing toe to toe with you and telling it like it is. Her career choice was fun to see. I detect a little bit of Ms. Proby went into her character; I'm not giving any spoilers up on that one. Being with Ty has helped get her out of her shell.
